Section 3 – External Auditor's Report and Certificate 2023/24

In respect of

Church Pulverbatch Parish Council – SH0045

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit. It does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- The smaller authority has informed us that the responses to Section 1, Box 9 and Section 2, Boxes 11 (a) and (b) are incorrect and should be 'Yes' for all three boxes.
- Section 2, Boxes 4, 6, 7 and 8 have been incorrectly completed and should read £2,360, £884, £3,930 and £3,930 respectively.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the prior year, the smaller authority was exempt from our review, thus we have not reviewed any evidence to support the prior year comparatives on the AGAR.

In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to the fact that they were unable to access the website to confirm whether the required documents had been published. The smaller authority must ensure that the website is accessible and that all documentation required to be published under the Transparency Code and the Accounts and Audit Regulations 2015 is published and easy for users to access.

The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Box 6 of Section 2.

We note that the date of the bank statement for one of the bank accounts on the bank reconciliation is not at the year end. We have been unable to verify whether this was the same balance at the year end.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
